If you would like us to immediately set your address in our dns servers, please let us know. We can also forward your domain to any webpage or path on the internet or change the name servers before the transfer take place. Just add the path to your note. Transfers can take upto 48 hours to complete. Once the transfer is out of our hands, it is your responsibility and we have no power to make any changes. If you need help please let us know and we will gladly help you complete the transfers to your name. You will receive an email with transfer instructions. Please watch out for them, and also check your spam box first if you did not receive your instructions.
